**Forwarding Letter**

**GOVERNMENT INDUSTRIAL TRAINING INSTITUTE VADAGAM (DHANSURA)**

**Jamtha road, Taluka: Dhansura, Dist. Arvalli, Gujarat, 20<sup>th</sup> November, 2017**

No. ITIVDM/2017-PPP(C)ACP-IIMT: - The Government Industrial Training Institute, Vadagam (Dhansura) has initiated to conduct the Advance Certification courses for enhancing the technical skills of the industrial operating workforce from 11<sup>th</sup> October, 2017.

The Government Industrial Training Institute Vadagam (Dhansura) has been adopted by International Institute of Management and Technical Studies, Ahmedabad as an industry partner of ITI, initiating advance certification courses in various engineering branches and trades from level 1 to level 7, to enhance the technical skills of the industrial operating workforce, recognized by Government Industrial Training Institute, Vadagam (Dhansura) & International Institute of Management and Technical Studies, Ahmedabad which also offers the Joint certification courses in affiliation with CCESD, The Institution of Engineers, India, Gujarat State Center and also with City of Oxford College, Oxford (UK). These programmes will be offered to individuals in the Industries who are Diploma holders, ITI pass out students, School dropouts, ITI alumni, students who have undergone apprenticeship training, any working professional or any student willing to work in the Industry with the recognized certificate. **The learning methodology will be “Blended Learning” in which, technically a learner will study through online learning on any platform like Mobile, Tablet, Desktop, Laptop or any such electronic device which is compatible to download the learning software, provided with live interaction with expert faculty in the online classroom. The support of e-learning classroom will be provided by the Vadagam (Dhansura) ITI industry partner, IIMT Studies. The course will also have a part of classroom learning. Such modules can be taught in the institute / corporate itself or at the nearest course center, subject to the availability of the center at nearby location of the learner.** Looking at the Industry specific requirements, the faculty support will be extended by the industry experts and experienced professionals of various domains from industries and corporations from India and other countries, in the online and offline classroom training. The batches for all the programmes will start from 7<sup>th</sup> December, 2017.

**Government ITI Vadagam (Dhansura):**

Government Industrial Training Institute, Vadagam (Dhansura) is a recognized Government Technical Institute under the Directorate General of Employment & Training, New Delhi (D.g.e.&t.) of the Ministry of Labour and Employment.
